WORK & LEADERSHIP EXPERIENCE

CampusMart – University Marketplace App

Strategic Lead and Co-Founder

Bremen, Germany

September 2024 – September 2025.

- Raised \$5K seed capital; designed a \$6K-value UX prototype in Figma for <\$100 using AI tools; managed outsourced MVP build (React Native + Firebase) and integrated Stripe payments with a scalable backend.
- Conducted 50+ student interviews shaping product direction and validating low-fee pricing for C2C trades.

Stratle

Business Consultant Intern

Remote, Germany

June 2025 – September 2025

- Designed market benchmarks for a musician oriented mobile app startup client
- Built KPI pack (time-to-hire, pass-through, score variance) and Excel-based hiring-funnel model.
- Conducted scenario & sensitivity analyses quantifying trade-offs between speed, cost, and quality.
- Prepared client-ready decks and facilitated workshops with PMs and managers.

Constructor Tech

Product Marketing Intern

Remote, Germany

April 2025 – May 2025

- Conducted competitor analysis to refine brand positioning and product messaging.
- Produced cross-platform marketing content (social media, blogs, presentations) aligned with SEO strategy.
- Supported internal communications and media coverage for company-led events.
-

Statista GmbH

Research Assistant Working Student

Hamburg, Germany

April 2024 – March 2025

- Produced over 1,000 published statistical reports on Statista.com, analyzing financial trends across banks, corporations, and advertising sectors.
- Performed valuation & comps analysis for premium clients across industries.
- Delivered custom statistical reports to premium clients, translating trends into clear, actionable visual insights.

Northvision Capital

Trainee

Bremen, Germany

September 2023 – May 2024

- Conducted investment analysis to identify high-potential opportunities.
- Delivered investment pitches with data-backed recommendations.

Genzi. App (Start-up)

Co-Founder & Product and content Strategist

Madrid, Spain

April 2022 – December 2022

- Co-founded youth-focused mobile app; led product & content strategy with user research and prototyping.
- Grew early user base with 250k+ social media profile views via street-interview content campaigns.

Techo (Volunteer Experience)

Community leader, Techo Nicaragua

Managua, Nicaragua

November 2016 – September 2017

- Co-led non-profit initiatives in a specific rural community, focusing on strategic planning to address critical issues such as water access and education.
